# ESKENAZI HEALTH HISTORICAL MILESTONES

*For nearly 160 years, Eskenazi Health has provided high-quality, cost-effective, patient-centered health care to the residents of Marion County and Central Indiana. Accredited by The Joint Commission, nationally recognized programs include a Level I trauma center, regional burn center, comprehensive senior care program, women's and children's services, teen and adolescent care programs, Eskenazi Health Midtown Community Mental Health, and a network of primary care sites located throughout the neighborhoods of Indianapolis known as Eskenazi Health Center. In partnership with the Regenstrief Institute, Eskenazi Health conducts groundbreaking work that informs health information technology around the globe. Eskenazi Health also serves as the sponsoring hospital for Indianapolis Emergency Medical Services (IEMS). As the public hospital division of the Health & Hospital Corporation of Marion County (HHC), Eskenazi Health partners with the Indiana University School of Medicine, whose physicians provide a comprehensive range of primary and specialty care services. In December 2013,*

*Eskenazi Health moved to its new main campus and opened the brand new Sidney & Lois Eskenazi Hospital. The new modern and efficient facility is Central Indiana's first Leadership in Energy and Environmental Design (LEED®) Gold health care campus and offers unique features like a one-of-a-kind sky farm and extensive art collection. The Eskenazi Health Foundation was the recipient of a \$40 million gift from Indianapolis couple Sidney and Lois Eskenazi to assist with building the brand new hospital facilities. HHC recognized this generous gift by naming the new hospital and health system in the Eskenazis' honor.*

- 1859** City Hospital opens, first to treat the small pox epidemic, then as a military hospital. An estimated 13,000 sick and wounded soldiers were treated in a five-year period ending in 1865.
- 1866** Dr. Greenly Vinton Woolen named hospital superintendent. City Hospital now operates as a charity institution supported by Indianapolis taxpayers.
- 1879** Dr. William Niles Wishard appointed superintendent of City Hospital.
- 1885** Flower Mission Training School for Nurses graduates its first class of five nursing students.
- 1887** First City Hospital ambulances begin carrying sick and injured patients.
- 1909** Indiana University School of Medicine at Indianapolis opens, beginning a lengthy teaching affiliation with the hospital.
- 1914** Two four-story isolation units constructed, known as the Burdsal Units. St. Margaret's Hospital Guild hires several Indiana artists, including T.C. Steele, to paint murals throughout the hospital.
- 1918** Social Service Department established to help with social needs of patients.
- 1931** Dr. Charles W. Myers appointed superintendent, a post he would hold until 1952.
- 1935** First iron lung in the state of Indiana installed at City Hospital.
- 1943** Two-way radios installed in City Hospital ambulances. This was the first hospital in the nation to use this type of radio to coordinate ambulance dispatch.
- 1947** City Hospital renamed Indianapolis General Hospital.
- 1951** General Assembly enacts statute creating the Health & Hospital Corporation of Marion County.
- 1961** First cancer laboratory in Indiana opened at General Hospital.
- 1969** General Hospital designated by the Indiana State Board of Health to be a major trauma center for Indiana. Midtown Community Mental Health opens at General Hospital.
- 1975** General Hospital renamed Wishard Memorial Hospital.
- 1992** Wishard Hospital becomes the first verified Level I trauma center in Indiana.
- 1995** Wishard named one of the top 100 hospitals in the country for third consecutive year by HCIA, Inc./Mercer Consulting.
- 1997** Wishard Advantage program begins serving needy residents of Marion County. Wishard Senior Care launched.
- 1998** Health Connection - a 24-hour-a-day nursing telephone triage system - begins operation. Acute Care for Elders Unit established.
- 1999** The IU National Center of Excellence in Women's Health opens at Wishard. Emergency Medicine Department created. New Palliative Care Program launched.
- 2003** The state-of-the-art Richard M. Fairbanks Burn Center at Wishard opens, replacing the original unit.
- 2008** Wishard Healthy Aging Brain Center established.
- 2009** Referendum to build new hospital campus approved with 85 percent voter support.
- 2010** Indianapolis EMS is formed as a partnership between the city and Health & Hospital Corporation of Marion County with Wishard serving as the sponsoring hospital.
- 2011** Wishard receives a \$40 million gift from Sidney and Lois Eskenazi which results in Health & Hospital Corporation of Marion County naming the health system after the Indianapolis couple.
- 2013** Eskenazi Health West 38th Street health center opens. The Sidney & Lois Eskenazi Hospital and Eskenazi Health campus opens.
- 2014** The Commonground at Eskenazi Health, a unique outdoor green space focused on community, serenity and wellness, opens in July.
- 2015** Eskenazi Health's main campus achieves Leadership in Energy and Environmental Design (LEED®) Gold certification.
- 2018** For the third year in a row, Eskenazi Health is named one of Becker's Hospital Review's "150 Top Places to Work in Healthcare."
